Wayne's World – Summer is almost here! Our new fiscal year begins July 1 which is when your annual membership fees are due. Your invoice (blue) is enclosed along with a return envelope. You will notice that there is a 2% increase over last year. A budget summary is enclosed for your review which highlights some of the accomplishments and challenges faced during the past year and looking towards next year. We are working hard to control all of our costs to make sure that our fees are reasonable for our members, and also maintain our Club in top condition, while maintaining a prudent reserve.

We continue to upgrade the Club facilities. Enhancements this past year include the installation of a new Barbeque area, four permanent Pickleball courts, new gym equipment, and substantially enhanced lighting of the tennis courts. I hope you will take advantage of all we have to offer.

Our 3rd annual “Summer Kick-Off” poolside event is coming! Start off summer here at the Club, and come and enjoy a fun afternoon with us! Lots of games to be played, and prizes to be won! This is a great time to come and check out the facilities if you have not been to the Club recently.

The Club is now in its 55th year of operation and we now have many second and third generation members. Many people stop by the Club to share some of their childhood memories about growing up at the Club. I hope that tradition continues! Keeping the facilities looking good and offering additional activities keeps us busy. I hope you will take advantage of all the Club has to offer this summer.

RBSTC BOD Election - Our Club's annual election for Board of Directors was held in March. Congratulations to Laura Haver, Ken Baumann, Tom Burke and Ed Ashman! Outgoing board member and past president, Jane Morgan was honored at the annual RB Hats Off to Volunteers event in recognition of her many years of service to the Club.

REMINDERS:

- **CLUB CARDS** - Members, please remember to bring your **own** membership card when you come to use the Club. This helps prevent congestion at the front gate and minimize delays if the staff does not have to look up your information on the computer to check you in. Also, please consider using the back gate and parking lot entrance off of Pomerado Road.
- **GUESTS** - ALL guests MUST to be signed in at our front desk. RBSTC Guest Policy limits a membership household to up to 7 guests per day (guest children included). Individual guest limit is 6 times per month. There will be a charge of for any additional visits. *Please note, B members may not enter the Club as a guest of another member.
- **SWIM DIAPERS** – We ask for your consideration by remembering that swim diapers are ONLY allowed in the wading pool! Children MUST be potty trained to be able to have access to the family pool. Each summer, our pool is closed numerous times due to “accidents”, which are a big inconvenience to our members and also a significant cost to the Club.
