Wayne's World – School's back! The summer has flown by for us here at the Club. It was a busy and fun summer. Lots of students attended out various summer camps. Also, many people have taken advantage of our new Barbeque area to enjoy a meal with family and friends by the pool. Now that school is starting, we will again have our full schedule of classes after school. Our end of the summer party is a way for us to celebrate together. Come and enjoy a day with the Club full of activity. An event like this takes a lot of planning as well as a lot of work on the day of the event. We organize several special events for our members each year. Many of our staff volunteer their time and members of our Board of Directors are actively involved as well. We do need additional hands to help make this event a success. We seldom have enough volunteers sign up to help at these events. Some volunteers in the past have been discouraged by members who are bossy and rude to volunteers. More than one volunteer has told me, NO more!! If you enjoy coming to the Club, please make sure to thank those who serve you and you might want to volunteer yourself. If you haven't been to the Club for a while, this is a great time to see the Club at its best. Come join us for a fun day!

Computer and IT help needed – As a small organization, the Club has limited IT resources, but we would really like to upgrade our online presence and streamline some of our admin processes. We are looking for a few experienced volunteers to help direct this effort on an ongoing basis as part of an IT Committee. This would involve evaluating our existing equipment and processes and help with implementing recommended improvements. If this is something that you would be interested in, please contact the Club GM, Wayne, to discuss how you might be able to help.

New class... Israeli Folk Dance - Sundays, starting in September, there is now an Israeli Folk Dance Class that is held in our Club 21 Room from 4 – 5 pm. For more information, please call Barb Birenbaum @ 858-382-6312 for cost and further information.
